## EDUCATIONAL PROGRAMS

Living Hope offers 3 programs for clients to “earn” supplies and equipment (car seat, pack ‘n play, stroller or high chair) for their babies.

- **Earn While You Learn:** Pregnant women complete 12 hours of online lessons. They come to Living Hope to sign up around 25 weeks, have 2 in-person sessions and then graduate. See our [friendsoflivinghope.com](http://friendsoflivinghope.com) website for a list of what they earn.
- **Earn While You Learn 2.0:** Mothers of infants up to 1 year old complete 12 hours of online lessons and come to the center for the same number of in-person sessions. They also shop in our boutique for a bounty of supplies and equipment.
- **Pregnancy Education:** This program is offered to women who come to us and have a positive pregnancy test. Not only do they earn supplies, but we have an opportunity to form a relationship with them before they sign up for Earn While You Learn.
- **Fatherhood:** Any male can complete lessons about growing as a husband or father to earn a gift card to Walmart.

Visit our website: [friendsoflivinghope.com](http://friendsoflivinghope.com) and click on the EWYL tab to learn more.

## CHURCH LIAISONS

Living Hope would like to have a designated person to act as a liaison for every church in Columbus County. If you are interested in being that person, please email us and let us know. [info@livinghopepregnancyservices.com](mailto:info@livinghopepregnancyservices.com)

Sarah worked hard with passion and determination to reach her goal to complete the Earn While You Learn Program.

*In her evaluation she said “Do not feel ashamed to come. Coming to Living Hope lifted a major weight off my family’s shoulders. The classes are beneficial and good for anyone that is a parent or parenting. The environment at Living Hope is very welcoming.”*

In addition, her husband has enrolled in the **Fatherhood program** and is close to completion.

Take advantage of this opportunity! If you or anyone you know wants to complete our EWYL program, contact us today to enroll.

## BLESSINGS IN A BOTTLE

If you would like to participate in our annual Blessings in a Bottle campaign, please let us know.

### Here’s how it works:

- Choose a coordinator for your church.
- Decide how many bottles you need. Usually one per family, church group, etc.
- Arrange a time to pick up your bottles and paperwork at Living Hope.
- Decide the dates that work best with your church calendar.
- Distribute the bottles.
- After some time has passed, collect the bottles that have been filled with change, cash or checks.
- Bring them to Living Hope and we will count the money and give you a report on how much was collected.

The church that has collected the most money so far this year is **Trinity Baptist Church, Whiteville, NC** at \$2,087.45.

**Come by Living Hope and see our center. We would love to give you a tour!**
