

You saw me before I was born. Every day of my life was recorded in your book.  
Every moment was laid out before a single day had passed. Psalm 139:16

This well-known verse is frequently quoted by pro-lifers to affirm the humanity and value of every unborn child. But it contains another important message: while we can't anticipate what the future will bring, God knows "every moment" that lies ahead. That truth applies to ministries as well as to individuals.

When I composed the winter newsletter in January of 2023, I had no idea that, before the year ended, Living Hope would be settled in a lovely new office at 433 S. Madison St. I didn't know that thirty-seven women and one man would graduate from our Earn While You Learn program or that seven would complete the New Believer's classes. And I had no way of knowing that the message of salvation would be shared fifty-eight times, resulting in sixteen decisions for Christ. But God knew it all!

Isn't it reassuring to know that our loving God walks beside us, step by step, through joyous times and difficult ones? Absolutely nothing takes Him by surprise! Better yet, God promises to give us the grace that we need for every situation. Best of all, those of us who have placed our trust in Him know that heaven is the final destination where we will spend eternity praising the One who has guided us safely home. Sharing that truth with our clients is the primary mission of Living Hope.

If you have supported Living Hope with your prayers, gifts, or time, you have been an instrument of God to touch lives through this ministry. We humbly invite you to continue the journey with us as we launch into 2024.

In His service,  
Janet E. McPherson  
Executive Director
