Ultrasounds

Living Hope has been planning to offer ultrasound services to our clients for over a year. The Medical Committee has worked diligently on all of the many details that have to be completed before this can happen.

- I am thrilled to say that our ultrasound machine is on order!
- We have a newly renovated ultrasound suite that has been beautifully done by David Schwartz and Mike Fessenmire.
- We have nurses that will be trained to do the ultrasounds.
- We have other essential supplies and equipment lists ready to order.
- Our Medical Director is ready to begin his services.

All of this has come together with God's leading, provision and your support.

We are believing that babies' lives will be saved through these services. Please join us by praying for this new ministry!

IN HIS SERVICE,

Julia A. Wayne, Executive Director
