

HOPE IN DIFFICULT SEASONS

Recently I've been thinking about various scenarios that have been going on in our community and nation. It seems like no one is in control. If we aren't careful, difficult situations cause us to focus on the bad and forget the good promises we have been given in the Bible.

If you ever feel like the world is out of control, remember that the Word tells us to place our hope and trust in the One who has overcome this world. In John 16:33 Jesus said *"These things I have spoken to you, that in Me you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world."*

At Living Hope, our main focus is sharing the Hope of the Gospel with people who come to our center. Every time we open our doors, we ask God to send people for us to minister to and guidance from the Holy Spirit as we interact with them. If you will, pray that we will have more opportunities to present the Gospel and that our programs will make a positive impact on young women and mothers in our community.

NEW SERVICES

Living Hope is working on a collaboration with the Women's Life Center in Shallotte. We are making plans to offer new services to women at Living Hope and in our community.

MEDICAL NEWS

Because God has sent us a medical director, the medical committee is moving forward with plans to add ultrasound services at Living Hope. Pray for us as we seek His guidance and wisdom.

As we begin the season where we celebrate Thanksgiving, we would like to remind you how thankful we are for your support - financially and through prayer.

IN HIS SERVICE,

Julia A. Wayne, Executive Director

JULY - SEPT STATISTICS
